

## Year 8 Knowledge Organiser – Story Theatre

### Story Theatre

You will be creating a piece of drama for an audience that is younger than you, using Roald Dahl's Three Little Pigs. Story Theatre requires two techniques, physical theatre and narration, so you will complete workshops on these two techniques.

Tasks for this topic:

- Use and practice narration to tell a story
- Take part in a workshop to gain knowledge and understanding of physical theatre
- Work as a team to develop a piece of work for a younger audience using the skills you have learnt over KS3 already and applying narration and physical theatre.

Performance Techniques	
Physical Theatre	Physical movement used to tell a story
Narration	Spoken commentary used to convey a story to an audience
Expression	Changing the tone and sound of your voice to communicate emotion
Rehearsal	Practicing work to improve and refine it.
