

Parent Forum 4th March 2024

Curriculum resources for parents

Parents were invited to discuss the curriculum resources for parents, in a computer suite visited the curriculum section of the school website to discuss what could be improved.

You said	We did
Liked the split down to subject pages	<i>All curriculum pages on the website are being worked on. As there is a lot of information it does take quite a lot of time. Knowledge organisers will be moved to the specific subject pages. All subject pages will be made consistent so information is easier to find. We aim for all this work to be completed for the next academic year in Sept 2024.</i>
Found the separate pages for Year 7, 8 and 9, confusing to have Knowledge organisers on those pages need to be on subject pages.	
Subject pages weren't consistent making it confusing to find what you were looking for.	
A lot of information is included which is great just needs to be simplified to be able to find.
